

Matthew Palmer

Software Engineer (Web Apps)

EDUCATION

● Flatiron School / 2019 - 2020

Software Engineering (Bootcamp)

A highly intensive bootcamp focused on teaching students how to think like a software engineer through interactive labs, lectures and close collaboration.

● Purdue University / 2018 - 2019

Information Technology (Associate)

Major: Software Engineering / 3.98 GPA

ABOUT ME

I am a passionate software engineer eager to continue learning and growing as a developer. If I don't know or simply don't understand something new, I will stop at nothing to master it.

PROJECTS

Bowlicious Bowtique / E-commerce

[DEMO](#) / CODE: ([Back End](#) / [Front End](#))

A faux E-commerce website utilizing React / Redux on the Front End and Ruby on Rails (API) on the Back End.

The Gentleman / Landing Page

[DEMO](#) / CODE: ([Front End](#))

A landing page for a faux tuxedo service.

RGB Color Guessing Game / Gaming

[DEMO](#) / CODE: ([Front End](#))

An RGB color guessing game remade in React and was inspired by the original version created by Udemy instructor Colt Steele.
